

kabin

By Après Aviation

Ontario International Airport were looking for a solution to allow business travellers to complete work in privacy while in the airport.

We supplied six kabins to the client. three are located in their Terminal 2, and three located in their Terminal 4.

The client opted for an **Ultraleather** for the interior of the **Kabins**.

The **Ultraleather** material is **wipable**, making it an ideal choice for a **kabin** in a high traffic area as it can be easily cleaned and disinfected after use.

Acoustic Excellence

Genuine Privacy

Optomised Comfort

Minimal Maintenance

User Control
